Midland Holloware Limited has been established for over 25 years. We are proud to provide the UK and Ireland with classic British Quality Heavy Duty Dustbins, Incinerators, Bin Liners and a various other range of Holloware Goods.

We have a wide range of Galvanised Holloware Goods in various sizes. Our main line of work has always been the traditional Dustbin & Incinerator (90 Litre).

We offer a range of Quality UK MADE Heavy Duty Fireside Products such as Coal Hods which are available in 2 sizes (Anthracite Coal Hod & Upright Coal Hod) and which we also offer powder coated in a black and copper black finish.

We have invested in new equipment and have setup a new bin line to be able to offer bespoke Bin Liner jobs which allows us to offer you sizes that will fit your bin mouldings to the exact size you require.

We also offer Flower Vase Buckets, Paint Pots, Coal Bunkers, Buckets and V Lip Tar Buckets.
