CATALOGUE CONTENTS

Made in Stourbridge

Midland Holloware Limited manufactures galvanised steel holloware in Lye, in the heart of the Black Country.

For over 25 years we have supplied customers in the UK and Ireland. Our range includes traditional dustbins and garden incinerators, fireside products and liners made to fit existing street litter bins.

QUOTES AND ENQUIRIES

Bespoke manufacturing

Talk to us about custom bin liners, bespoke planters, samples and laser-cut work.

What to send with your enquiry

Product and quantity — Tell us which item or model you need and how many.

Measurements — Include the dimensions in millimetres. For a replacement liner, measure the existing housing and the old liner if you have it.

Photos or drawings — A labelled sketch or photo helps us check the shape, fit and any rim or handle requirements.
